

SSP Beta Chapter Report- DMU COM
Fall 2007

Greetings Fellow SSP Members,

2006-2007 was a very successful year for SSP at DMU. Our three main events had huge turnouts from both the first and second year classes. The residency forum in the fall was very educational for all second year students preparing for boards and looking forward to their rotations and beyond. The Cancer Conference was held on campus in February and brought in specialists
