# Current Events

- Iota delta serves the nation
- Monthly case review series
- Team board preparation trivia nights
- Q&A sessions for board preparation

# Iota Delta serves the nation

- Iota Delta has instituted community service leads for students located away from the institution core site
- Through this initiative IOTA Delta will serve communities spanning from Idaho to New York
- Region specific community service leads will coordinate local efforts to best help their respective community
- Regional service leads:
  - Eric Hall, OMS-IV
  - Kelsey Silvester, OMS-IV
  - Tara Samiee, OMS-IV
  - Mehwish Choudhry, OMS-IV
  - Brittnee Haynes, OMS-IV
  - Sara Patterson, OMS-IV

# Case Review Series

- Monthly case review lead by chapter members to include:
  - Pertinent history and physical exam collection
  - Construction of a differential
  - Best practice guidelines
  - Clinical pearls and pitfalls
  - Board relevant information
- Primary goal is the promotion of fellowship among students with emphasis on the discussion of best patient care

# Board trivia nights & Board Q&A

- Team board trivia night
  - Monthly board review trivia nights to reinforce board relevant material and promote fellowship among students
  - All students are welcome to join on this team based trivia night
  - Prizes will be awarded to winning team
- Board Q&A
  - Virtual meetings will be hosted by SSP members to provide board prep tips and tricks to OMS I-III students

# Chapter Kick Off

- December 2021, Iota Delta Chapter will celebrate its inauguration of the class of 2022 and 2023 with a virtual escape room!
