Membership Process

- Membership for only 25% of each class
- Three application cycles each year:
 - Fall cycle: M2s only
 - Winter cycle: M1s and M2s
- Application focuses on dedication to the community, academics, research experience, extracurriculars, and essays
- In order to qualify to apply, applicants must attend at least 1 SSP event and show a dedication to their community

Volunteer Events

Despite the difficulties that the COVID pandemic has inflicted on volunteer opportunities, SSP continues to be dedicated to their local community in a multitude of areas including:

- Food insecurity
- Homelessness
- Children
- Environment
- High school students
- Elderly
- Veterans

Future Plans

- Expanding to different volunteering events
- Providing more volunteer events while keeping volunteers and others safe
- Maintaining the current events and relationships with local community leaders
